

Dear Fine folks at the FCC!

I Respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM Sattalite Radio's ability to provide the kind of programming that I as well as all it's listeners demand and deserve. I do not listen to local radio as it is mostly rubbish! So please make XM happy or it is back to CD's day in day out which wont make any of the people Happy who Love XM so much!

Thank you for your time!

Eric Rader
